WASTE MANAGEMENT POLICY

Bishop Heber College would implement a successful waste management strategy, intervening at every step in the life cycle of every article that enters the Campus. The implementation of the below spelt policies would be monitored and recorded periodically.

- Prevent waste production at source.
- Exploit all opportunities to repurpose and recycle.
- Educate to change Individual perspective towards purchase and consumption of goods and Products.
- Encourage judicious purchase of products without heavy packaging and more life.
- Train employees on right methods of segregation, collection, transportation and storage of waste.
- Promote Awareness on "Waste" through Regular Campaigns
